

Rotary switch

1R24, 1R30, 2R24, 2R30

EU-RoHS compliant products

RoHS

Please see datasheet >>

Applications	Power control, Measurement equipment, Communication facilities, Audio equipment
Features	Solid-Ag contacts Excellent stability
Contact resistance	5mohm or less
Switching method	Non-Shorting
Number of Wafers	1, 2
Number of Poles	1, 2
Number of contact Per Poles	24, 30
Max Rating	AC100V 1A, DC70V 1A
Indexing angle	12 degrees, 15 degrees
Size	58 x 58 x **mm
