

Glasshouse TVC Passive Pre-amplifier No.1 parts list: TABLE 1

x	component	quantity	location
	chassis		
	Chassis base	1	
	Chassis lid	1	
	Chassis front panel	1	
	knob	2	
	hardware		
	Glasshouse TVC transformers	2	inside chassis
	red phono socket	9	rear panel
	black phono socket	9	rear panel
	earth post	1	rear panel
	M4 x 6mm pozi-drive screw	4	to fit front panel to chassis base
	M3 x 6mm countersunk screws	8	to fit chassis base and lid together
	M4 x 10mm pozi-drive screw	4	fitting of TVC transformers
	M4 nut	4	fitting of TVC transformers
	M3 solder tags	3	to connect to earth post for easy soldering
	feet	4	underside of chassis base
	tie wraps	15	for clean wiring
	switches		
	Elma 2 pole 6 way selector switch	1	front panel
	Dale 2 pole 23 way switch	1	front panel
	wire & solder		
	0.5mm diameter Mundorf silver/gold wire	10m	all wiring
	Mundorf 3.8% silver solder	5m	all soldering
