

Glasshouse TVC

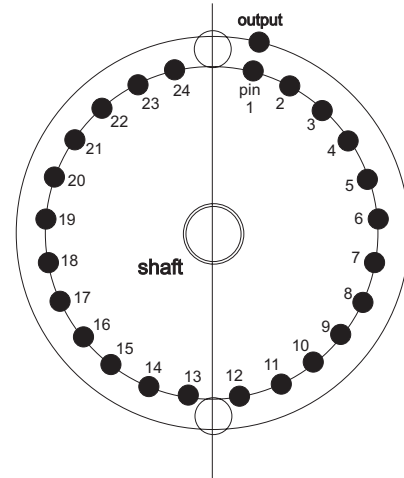

Wiring diagram for TVC transformer

Diagram of windings of TVC transformers
(applies to all Glasshouse types)

tag 23 of transformer - pin 24 of switch
tag 22 of transformer - pin 23 of switch
tag 21 of transformer - pin 22 of switch
tag 20 of transformer - pin 21 of switch
tag 19 of transformer - pin 20 of switch
tag 18 of transformer - pin 19 of switch
tag 17 of transformer - pin 18 of switch
tag 16 of transformer - pin 17 of switch
tag 15 of transformer - pin 16 of switch
tag 14 of transformer - pin 15 of switch
tag 13 of transformer - pin 14 of switch
tag 12 of transformer - pin 13 of switch
tag 11 of transformer - pin 12 of switch
tag 10 of transformer - pin 11 of switch
tag 9 of transformer - pin 10 of switch
tag 8 of transformer - pin 9 of switch
tag 7 of transformer - pin 8 of switch
tag 6 of transformer - pin 7 of switch
tag 5 of transformer - pin 6 of switch
tag 4 of transformer - pin 5 of switch
tag 3 of transformer - pin 4 of switch
tag 2 of transformer - pin 3 of switch
tag 1 of transformer - pin 2 of switch
tag 0 of transformer - pin 1 of switch & earth post

Diagram of one channel of the
2 pole 24 way switch. Viewed from
shaft end

If using the Seiden switches which are 2 pole
23 way and 4 pole 23 way tag 23 is not used
